B&M Cast Aluminum Rear End Cover

Chevy 8.875" 12 Bolt Truck

PART# 70504

DESCRIPTION

The Aluminum Rear End Cover was designed to strengthen the axle by preventing case distortion, ring gear & cap bearing deflection. Made of A356.0-T6 aluminum, this rugged unit also dissipates heat much faster than the stock unit.

Please call 707-544-4761 or visit www.bmracing.com for additional application and product information.

- * A356.0-T6 aluminum construction
